

**UNIVERSITY-SPONSORED YOUTH PROGRAMS
IMAGE RELEASE**

On behalf of myself and my child, I give The University of Akron, its assigns, licensees, staff and legal representatives (the "University of Akron"), the irrevocable right to use my child's pictures, videos, portraits, photographs, statements, and all other forms of images or likeness ("Images") in all forms and media and in all manners for the purposes of supporting the University of Akron, including but not limited to the following uses: news media; signage; brochures; publications; audio/visual presentations; internet pages; television commercials ("Media").

I hereby forever waive any right to inspect or approve the Images or Media on behalf of me or my child. I understand that the University of Akron retains the right to use my child's Images. On behalf of myself and my child, I waive all rights to ownership or royalty, if any, which may have resulted from the Images or Products. We also waive any rights of privacy in the Images, including but not limited to any rights that might otherwise be protected by the Family Educational Rights and Privacy Act. I understand that the University of Akron cannot control unauthorized use of my child's Image by third parties once such Image is published or otherwise used in Media. I agree that any claim that I or my child may have about the unauthorized use of my child's Image must be pursued by me or my child against the unauthorized user and that I cannot pursue such claim against the University of Akron. The University of Akron disclaims any responsibility for unauthorized use of my child's published Image.

I have had opportunity to review and seek explanation of the provisions contained above, have carefully read and understand them, and agree to be bound by them for myself and my child. I voluntarily and irrevocably give my consent and agree to this Release and Waiver on behalf of my child. I represent that I am the parent or guardian of the child listed above and that I am eighteen (18) years of age or older.
