Discussion of 4 requests submitted to the UC EC - Saliga

Financial Aid/Scholarship Overages

What should happen to financial aid/scholarship funds that exceed total tuition costs? Requester asked to allow these overages to go back to the students for use on other aspects of college costs.

Response

Many issues were discussed, and we responded that we would continue to look into the issue and respond again once our investigation is complete.

Request to remove Chick-Fil-A from campus food options

Requestor noted that Chick-Fil-A has a reputation for “discriminating” and suggests that UA having this option on campus projects a support for such prejudice.

Response

Dallas will talk to Aramark about possibly replacing Chick-Fil-A with another option.

Creation of a Conferences and Event Office on campus

Requestor would like UA to pursue the creation of Conferences and Event Office to facilitate both on- and off-campus requests for events to be held at UA.

Response

Dallas Grundy, John Messina and others are working on this idea. A plan is being developed and will be shared soon.

Ideas for keeping students

Requestor made three requests/comments about "keeping students" at UA:

Taking cash payments at the cashier's window

Eliminating the \$100 fee for adding a class late (for the first time)

Overall request for "better customer service"

Response

The university is looking into its billing policies and procedures.

Budget Update - Grundy

Future Meeting Time
