General Discussion

- Shawn Stevens reported that there were 9 space allocation requests received that will be reviewed at the regularly scheduled meeting on November 18.
- The December meeting was set for 12/16/21.
- The members reviewed Space Allocation Request #12000-452 to reallocate departmental classroom distance learning space from the College of Health and Human Services: School of Social Work and Family Sciences to the Office of Academic Affairs: Distance Learning Services.
- Stephen Myers provided an overview and discussed the Capital Plan and Capital Appropriations for the next 6 years. He explained how the process works with the state of Ohio. Every two years, there is a capital appropriations bill which is divided amongst all Ohio universities. The University of Akron received \$18.06 million the last time and is expecting a lower amount of \$17.5 million due to lower enrollment. There are limitations on what institutions can do with the funds. For example, funds are to be directed to general funded spaces that all students use. Thus, no funds can go towards residence halls, athletics, parking garages, no new construction, to name a few. We typically address deferred maintenance issues, such as roofs, elevators, hardscape, infrastructure such as electrical and mechanical. There was extensive discussion and questions asked by committee members.

Meeting adjourned at 3:20 pm
